School Registration To Take Place At Schools For One Week Only

More than 1,000 new students have registered early for school in Hartford, taking advantage of Hartford Public Schools' Central Registration Center at 960 Main Street, and at two satellite registration centers, located at Quirk Middle School and Bellizzi Middle School.

To best accommodate families who have not yet registered their child for school, new students may register at a temporary Central Registration Center at 260 Constitution Plaza or at their district school from Tuesday, September 7 through Friday, September 10 only! After September 10, 2004, new students can register only at the Central Registration Office at 960 Main Street, 5th floor.

Hartford Public Schools staff will be available from 8:30 a.m. to 3:30 p.m. to assist with registration.

In order to register your child as a new student in the Hartford Public Schools, you need to bring the following items:

Proof of birth, in the form of a birth certificate, baptismal certificate or a passport;

Medical status, in the form of an immunization record and a physical exam within the past year; and

Proof of Hartford residence: in the form of 2 utility bills, rent agreement or lease.

If you are transferring your child within the Hartford Schools, you need to bring a release form from the child's current school, as well as proof of address in the form of two utility bills or a copy of your lease or mortgage.

For more information, please call (860) 695-8400. For pre-kindergarten registration, please call (860) 695-8808.
