

DID YOU KNOW?

This school will employ outstanding practices in instruction while also serving as a professional development center for elementary school teachers who want to further develop their skills in early literacy instruction.

COMMUNITY PARTNERSHIPS including Hartford Public Library, Connecticut Science Center and The Bushnell provide rich exposure to Learning Lab Students.

ARTS INTEGRATION through Hartford Performs, Little Kids Rock, Chorus, D.R.U.M.S. and Band is part of our unified Arts Curriculum.

ABOUT US

Betances Learning Lab is an innovative learning community fostering scholarship and creativity in students with different learning styles. We prepare and inspire students to be innovative, responsible and contributing members of an ever-changing global society.

Our achievement is determined across a broad range of educational goals, which include: National, State and Professional Standards Individual and Group Academic Performance Individual and Group Accomplishments Individual and Group Growth.

We are committed to involving all community Partners in creating an inclusive, inviting learning community characterized by kindness and respect, and developing interventions to support academic and personal excellence for every student.

We will achieve our vision by implementing research-based, best practices in education. We promote differentiated instruction through multi-age grouping. Furthermore, we emphasize curriculum integration and collaboration with specialists to support learning in all areas, and support an inclusive special education and gifted and talented delivery system.
