ABOUT US
Burr Middle School faculty and staff work together to foster a nurturing and inviting environment for all students. We seek to educate the whole child and consistently explore new ways to engage students with relevant and intriguing class activities. Our Core Values are Scholarship, Collaboration, Ownership, Resiliency and Empathy. We believe that students’ talents can be developed through hard work, learning strategies and feedback from others. We take the time to recognize and celebrate efforts and accomplishments. We are committed to the development of the highest academic, moral and ethical standards for our students and strive to create an inspiring, stimulating and safe environment that promotes the Common Core Standards.

Burr Middle School provides students with the opportunity to successfully engage with school, family and community.
