- We aim to educate all aspects of our students through the **whole child** approach, with a focus on academic achievement and social and emotional development.
- Our school community utilizes a **Growth Mindset** and a commitment to **Continuous Improvement** to further our personal, professional, and academic progress.
- As a community school, we are committed to developing long-lasting relationships with our families and community partners.
- Our students aspire to be scholars and meet the challenges of becoming life-long learners.
- We are proud of the developed partnerships with various organizations including lead agency The Village for Families and Children.

## OUR OPPORTUNITIES FOR SUCCESS

### ACCOLADES

We are a community school with a host of opportunities, partnerships and built-in supports to give students all the tools they need to learn and grow.

### CURRICULUM

We offer a well-rounded educational experience, tailored to the middle school student. In addition to core academic classes (Language Arts, Math, Science, and Social Studies), we offer middle school students an opportunity to begin learning Spanish as a World Language, as well as a growing selection of Unified Arts Courses.

### EXTRACURRICULAR ACTIVITIES

Sports programs: basketball, volleyball, soccer, and track;  
After-school clubs: robotics and Music Matters;  
Spirit Days; PTO and School Governance.

### TECHNOLOGY

Burr Middle School is committed to providing students with a 21st Century educational experience, with a 1:1 ratio Chromebooks to students, interactive white boards in classrooms, and a growing Technology Education pipeline.

## ABOUT US

Burr Middle School is committed to developing a well-rounded educational experience, tailored to the middle school student. As such, we work collaboratively with all school stakeholders to provide a safe, healthy, and positive learning environment. As Burr Middle School Eagles, "We S.O.A.R." to success. Our CORE Values are Safety, Ownership, Achievement, and Respect. We aim to educate all aspects of our students through the whole child approach, with a focus on academic achievement and social and emotional development.

We believe all students can learn; all students can achieve; and all students can succeed. We believe in our beautiful and capable children. We are proud to be a part of this community, and to be a part of your children's lives.
