ABOUT US

Our Team-Based Middle School model provides students with a rigorous academic program and a comprehensive array of related-arts classes including visual arts, performing arts, dance, band, orchestra, chorus and robotics.

HMTCA is proud to offer an Early College program with a focus on the Arts and Sciences, providing students with a rich selection of courses and enrichment programs in Music, Theater, Visual Arts, Dance, Computer Science, Engineering and Advanced Mathematics. Through our partnership with Trinity College, high school students participate in writing and science programs on campus, and all seniors attend class on campus during their senior year. In addition, we offer 13 AP Courses and Early College Experience Classes through UCONN.

HMTCA students have stated that they value teachers who provide dynamic instruction and care, a friendly and inclusive student community, the variety of sports, music and theater programs, and having access to Trinity College.
