

Family Survey

Please take a moment to complete this survey about your child's school. Your opinions will help make this school a better place. All results are anonymous. Please do not take this survey if you have already completed a paper survey. If you have more than one child in the Hartford Public Schools, please complete a survey for each child in grades PreK - 12. However if you have children attending the same school, please complete the survey based on their average experience in their school. If you have any questions, contact the Welcome Center at 860-695-8400.
