THEMED PROJECT PORTFOLIOS

Learn how Pathways uses Themed Project Portfolios to promote student ownership and deepen critical thinking skills by having students analyze one theme from the perspectives of many different disciplines.

Student: Adriana Etienne
Teacher: Leslie Soto
School: Pathways Academy of Technology & Design

DIGITAL TOOLS & ACADEMIC DISCOURSE

This session focuses on habits of academic discourse and their pairing with digital tools. Gain insights into 1:1-based classrooms through modeling of online academic discourse.

Students: Zahir Akbar, Dynasti Johnson, and Jasmine Lall
Teacher: Gage Salicki
School: Bulkeley High School

THE VALUE OF 1:1 DEVICES IN SCHOOL AND AT HOME

Hear students from Bulkeley High School share how having access to Chromebooks in class and at home has redefined their experiences with school.

Students: Zahir Akbar, Dynasti Johnson, Jasmine Lall, and Paola Torres
Teachers: Gage Salicki and Kaitlin Sullivan
School: Bulkeley High School
