

Hartford Remote Learning Hubs

BEGINS JANUARY 2021

Looking for **FREE** and **SAFE**
in-person options for your child
in K-G3 remote learning?

The City of Hartford is partnering with Hartford Public Schools and community organizations to offer learning hub locations across the city. This program is administered by Hartford's Department of Families, Children, Youth and Recreation and designed for families that selected in-person learning for their children and may be adversely impacted by COVID-19-related facility closures.

To be eligible, your child must:

- ★ Be a resident of Hartford
- ★ Be enrolled in in-person kindergarten, first grade, second grade, or third grade and is currently in hybrid or remote-only status
- ★ Have a working parent/caregiver that meets low to moderate income requirements

This program is administered by the City of Hartford and operates under license exemption by the CT Office of Early Childhood pursuant to Public Act 16-100. It is funded in part with Community Development Block Grant funds allocated to community-based organizations by the City of Hartford and supported by the Hartford Foundation for Public Giving.
