Who Are We?

The Family Wellness Healthy Start Program:

• Works to reduce infant deaths and poor birth outcomes in the cities of Hartford and New Britain.
• Serves low income families.
• Includes an Outreach Worker to recruit families into the program.
• Is client-centered and respectful.

Family Wellness Healthy Start is FREE.
Family Wellness Healthy Start is a choice.

Healthy Mothers

HAPPY BABIES

AND A HOPEFUL FUTURE

Healthy Start is a federal program, with over 100 sites across the country, working to reduce disparities in low birth weight and infant mortality.

The Family Wellness Healthy Start Program is funded by the U.S. Department of Health and Human Services, Health Resources and Services Administration, grant number H49MC12834 to the Connecticut Department of Public Health. Funding for this brochure is 100% supported by this grant.
Who Can Enroll?

Do you:
live in Hartford or New Britain?

Are you:
the mother of a newborn or infant, pregnant, or planning to become pregnant?

If you answered YES to these questions, consider enrolling in the Family Wellness Healthy Start Program.

Family Wellness Healthy Start Care Coordinators:
• Screen you and your baby for health risks and assist by connecting and referring you to appropriate resources.
• Work with you to develop care plans and personal goals that work for you and your baby.
• Help with scheduling and follow-up for prenatal, post-partum, well-woman, and well child visits for your baby up to age 18 months.
• Provide health education about nutrition, breastfeeding, physical activity, having a healthy pregnancy, infant care, and other needs.
• Connect and refer for Husky, WIC, and community resources such as smoking cessation, housing, food, shelter, counseling, maternity needs and other concerns you may have.
• Answer questions and concerns about pregnancy, post-partum, well-woman care and parenting.

If you know someone who can enroll, please share this brochure. Resources are available to those on Medicaid and/or the uninsured.
