This grant-funded program meets Monday through Thursday from 4:00-6:00pm and allows students to learn vocational skills and to increase their knowledge in reading and math skills.

TECHNOLOGY

AECH offers adult learners opportunities to develop on line skills through the use of laptops and various free software programs.

ABOUT US

MISSION:

Through high-quality educational programs, the Adult Education Center in Hartford assists the adult learner in the pursuit of English language proficiency, secondary education completion, and the acquisition of skills needed for postsecondary opportunities and/or the workforce.

AECH works to create opportunities for adult learners to set and achieve their academic and career goals through small, differentiated instructional classes that meet the individual needs of diverse learners. Through a contextualized learning approach, students develop the skills and knowledge necessary for English language acquisition, GED preparation, citizenship, college or a career.
