

## Identity Management

Once your organization upgrades to the Frontline Insights Platform, you can begin to utilize new and improved system functionality! These new upgrades allow you to log in to all your Frontline applications with a single username and password and to access any Frontline application via a single URL.

### GETTING STARTED

On the date your district upgrades, you will receive an invitation email to create a Frontline ID account.

This new account replaces your former login credentials and allows you to collectively access all your different Frontline applications via a new, single username and password.

Click **Create a Frontline ID** within the invitation email.

This selection takes you to a Sign In page where you must create login credentials in accordance to Frontline requirements.

### CREATING AN ACCOUNT

Your new username must contain 1 alphabet character and at least 4 total characters. (You can potentially use your email address, first initial and last name, or a different, district-preferred combination.)

The password must have 1 alphabet character, 1 number or special character, and 8 total characters.

Include an email address to provide a means for password recovery/verification and click the checkbox to accept the terms and conditions.

Once you are finished, click **Create Frontline ID**.

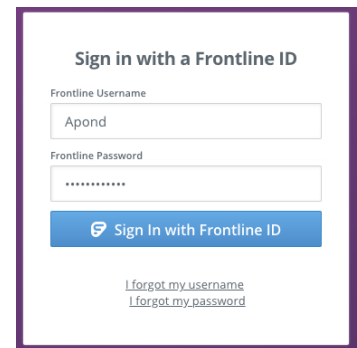

The system will prompt you to confirm your email as a final verification step. Once completed, the system enables access with your new username and password and requires these credentials for any future logins.

## SIGN ON PAGE

With the creation of your new Frontline ID account, you can access all your Frontline applications through a single sign-on page.

Go to [app.frontlineeducation.com](http://app.frontlineeducation.com), enter your new username and password, and click **Sign In**. The system recognizes your account configurations and presents applicable options based on your organizational setup.

If you belong to multiple organizations, the system will prompt you to choose which organization you want to access, and once selected, you will then choose from a list of your accessible Frontline applications.

A screenshot of the 'Sign in with a Frontline ID' page. The page has a white background with a purple border. At the top, it says 'Sign in with a Frontline ID'. Below that, there are two input fields: 'Frontline Username' with the text 'Apond' and 'Frontline Password' with a masked password '\*\*\*\*\*'. A blue button with a white icon and the text 'Sign In with Frontline ID' is positioned below the password field. At the bottom, there are two links: 'I forgot my username' and 'I forgot my password'.

If you have any additional questions, please reference your application's Learning Center!
